

The **Gorilla Training Assist Balls** are rubber balls with an outer covering of 1.2mm PVC. A dual ply bladder gives the ball continued shape and increased wear making it one of the better hard wearing training ball.

The **Gorilla Training Classico Balls** are a Tournament / Match standard ball, constructed with an outer covering of

2.0mm EVA and 0.2mm PU, giving the player outstanding control and flight of the ball. A dual ply bladder gives the ball continued shape and increased wear making it a must match / tournament ball.

The **Gorilla Training Street Balls** are a size 5 rubber ball designed for use on hard courts.
